I love Jenny! I had no idea how wedding photos work, but she was such a great guide. She had recommendations and suggestions to make our ideas better. By the end of our meeting, I felt so relieved and excited! On the big day, I was a bit overwhelmed, but she made sure that we were on schedule and remembered to capture all the important moments. Taking pictures with her was FUN! We didn't feel awkward, and somehow she managed to make everyone laugh. And so, of course, the photos came out AMAZING! Her energy and professionalism was on point, and she was simply a joy to work with!

BOOKING YOUR WEDDING

I require a \$100 nonrefundable retainer to secure your wedding date and time. It lock and reserves that time for that period and will be taken out of the total amount during the final payment.

The remainder of the payment and other fees will be due by the day of the wedding. You will receive an invoice through your email that explains the steps further.

04

RECEIVING THE PHOTOS

1. Provide me your email and within four weeks, you will receive an email through PASS, an online photo gallery, with all your photos
2. Download your photos within a month of receiving your photos. I clean out my client files every few months, so please make sure you have them backed up!

Q: Do I get to select my images?
A: Part of my job is making the image selects and choosing the best photographs possible. The images I don't deliver are either repeats, out of focus, or shots of you blinking. I have no reason to withhold any additional images!

05.

CONSULTATION CALLS

You are NOT alone in this! I offer at least one 30 min consultation session where I will guide you along a realistic wedding timeline and your "must haves" shot list. I will be as real or as laid back as you want me to be during this process.

01 Contact Form

Fill out the [contact form](#) and I will email you a brochure to choose which package and any add-ons you are interested in to get an estimate of the investment (doesn't have to be exact, can be adjusted later!)

02 Schedule

I will let you know if that date is available (the faster you book, the better!) Once that's confirmed, you will get a contract and an invoice with the retainer to secure your date and shoot.

03 Plan together

Whenever you need, I offer a 30 min consultation call via Google Meet (or if you're close by I'll treat you to boba) where I give some tips, send a wedding questionnaire, and ask finalizing questions before the shoot.

04 Enjoy

I shoot, I deliver. I typically deliver my fully edited photos within 4 weeks. I will provide sneak peeks though, so be prepared! Sit back with some tea and watch the photos in slideshow mode and get back in the feels!

Q&A

1. What is considered an intimate wedding?
 - My vision is centered around an intimate ceremony with close family and friends and a brief celebration afterwards
2. Do you offer a second photographer?
 - I am currently training my assistant/husband to be my second eye (for weddings only). He will help me get more behind the scene and more angles of important parts of your day. I will let you know if he will be assisting me at your wedding.
3. What is your turn around time for the full wedding gallery?
 - Typically 6 -8 weeks depending on how busy wedding season is! I will send you sneak peeks before then.
4. Do you travel out of state for weddings?
 - I currently am doing weddings up to 100 miles away from Fairfax, VA. Inquire with me for more details!

Jenny beautifully captured the best day of our lives, May 7, 2022. Jenny's work is incredible, she is so talented, detail oriented, and has a great eye for all things aesthetic. There was no one else we wanted to take our wedding photos after we saw the amazing job she did on our engagement photos. She is so kind and helpful, and met with us anytime we requested it before the big day. She made a photo timeline for our big day which was so helpful. She really was the perfect choice and we are thrilled with our photos that will be cherished memories for the rest of our lives. We cannot thank Jenny enough!
